Wheat was depressed by lower cables accompanied by selling orders, improving crop reports from the Northwest, heavy selling by commission houses at Chicago and bearish pressure. Liverpool declined 154d, London 58 to 18d and Paris 5 to 10 centimes for wheat and 10 to 20 for flour. The weather in the Southwest was generally very favorable, and European crop the cash I rade continues disappointingly small and the seaboard clearances are light. Later on thee was a partial rally on expectations of a builtsh Government report, which caused covering of shorts, while at the same time their was a little new outside buying. France bought at Chicago. The world's visible supply decreased, according to Bradstreet's, 6,160,000 bush, though this was dealered to the monthly revision of European stocks. The speculation was dull, however,

owing to an indisposition to trade until the contents of the Government report were known, and the rally was slight. The report was received at 4 o'clock and stated the condition of spring wheat at 55.2 per cent., that of winter at 80.8 and the conditions of both combined at 69.8, against 75.2 a year ago. On the curb September advanced to 85c. Farmers held on July 1, 51,000,000 bush. Corn declined on lower cables, beneficial rains at the West, expectations of a bearish Government report, an increase in the available supply of 2.339,000 bush and long liquidation. The Government atates the condition at 89.5 and makes the area 1,200,000 acres larger than harvested in 1899. There was no trading in corn on the curb. Oats sympathized with the rest of the list. The available supply decreased 71,000 bush.
